

Terms of Use for FZS Digital Photo Material

- 1) Digital press photos can only be used in connection with articles concerning or referring to FZS and its projects. Use of photos is reserved exclusively for journalistic coverage of FZS and/or its projects and is free of charge in such cases. Commercial use of photos is not permitted.
- 2) © FZS or, when mentioned, © FZS/Name of Photographer must be included in the bibliography. This also applies for publications on the Internet. Photo captions as well as copyright information can be found in the file's IPTC/XMP.
- 3) Photo data is to be solely used in connection with FZS press releases or FZS relevant articles. Consent from FZS is required before transferring photo material to an external databank.
- 4) FZS consent to use photo material does not include authorisation by persons depicted in a photo for their image to be replicated, especially as part of advertising campaigns.
- 5) Offenders are held accountable for damages incurred due to unauthorised use of photo material, exonerating FZS from any third-party demands.
